25.3 COMPANIES BRANCH/REASONS AND DECISIONS

25.3.1 ONTARIO LEGISLATIVE CHANGES/EXTRA-PROVINCIAL CORPORATIONS

The following is an insert with respect to a decision made by the Companies Branch, Ministry of Consumer and Commercial Relations, in the matter of ONTARIO LEGISLATIVE CHANGES/EXTRA-PROVINCIAL CORPORATIONS, issued on July 26, 1985.

NEW EXTRA-PROVINCIAL CORPORATE LEGISLATION
NEW INFORMATION NOTICE FILING REQUIREMENTS

As a result of the amendments to the Corporations Information Act (S.O. 1984, c.3) proclaimed on July 1st, 1985, all corporations carrying on business in Ontario, but incorporated by a jurisdiction other than Ontario, must file a new Form 2 (Initial Notice/Notice of Change, Ont. Reg. 231/85) immediately. The Act provides that a corporation which does not file a Form 2 is not capable of maintaining an action or other proceeding in any court in Ontario in respect of a contract made by the corporation.

Companies Branch had intended to write to every non-Ontario corporation carrying on business in Ontario to inform them of the new reporting requirements; however, technical difficulties have limited the sending of notices solely to foreign corporations. Informational notices, such as this, have been provided to the media which specializes in providing information to the legal fraternity, and to the provincial law societies.

Companies Branch will be writing to all foreign corporations with extra-provincial licences to draw to their attention the requirement to file the new Form 2.

Additional information and supplies of the requisite forms are available from:

2.1 BOW VALLEY INDUSTRIES LTD., ET AL

Headnote

The distribution by a reporting issuer of common shares of a subsidiary to holders of common shares of another company pursuant to a plan of arrangement was exempted from sections 24 and 52 of the Securities Act (the "Act") - First trade in shares distributed pursuant to this ruling was ruled a distribution unless such first trade was made in compliance with section 71(5) of the Act, as though it were applicable thereto.

AND

IN THE MATTER OF BOW VALLEY INDUSTRIES LTD.,
BOW VALLEY RESOURCE SERVICES LTD. AND
PRODECO OIL & GAS CO. LTD.

RULING (Section 73)

UPON the application of Bow Valley Industries Ltd. ("BVI") to the Ontario Securities Commission (the "Commission") for a ruling pursuant to section 73 of the Securities Act, R.S.O. 1980, c. 466 (the "Act") that a proposed transfer by it of Common Shares of Bow Valley Resource Services Ltd. ("BVRSL") to holders of Class A Common Shares (the "Prodeco Shares") of Prodeco Oil & Gas Co. Ltd. ("Prodeco") pursuant to an arrangement agreement dated June 14, 1985 between BVI and Prodeco (the "Arrangement Agreement") and a plan of arrangement concerning Prodeco and its shareholders (the "Plan of Arrangement") is exempt from sections 24 and 52 of the Act;

AND UPON reading the application and recommendations of Commission staff;

AND UPON it being represented to the Commission that:

1. BVI owns beneficially an aggregate of 10,120,000 common shares of BVRS, representing approximately 77% of the outstanding common shares;
2. The Arrangement consists of a statutory arrangement to be effected pursuant to section 170 of the Companies Act (Alberta);
3. Pursuant to the Arrangement, the existing shareholders of Prodeco shall exchange their shares for \$0.56 Cumulative Redeemable Convertible Class Z Preferred Shares, Series 4, of BVI, common shares of BVRS presently owned by BVI, and BVI Warrants to purchase common shares of BVI for \$24.00 until the close of business on June 30, 1988, with the effect that Prodeco will become a wholly owned subsidiary of BVI;
4. Approximately 31% of the Prodeco Shares are owned by Prorenta Holding Corporation ("Prorenta"), a corporation incorporated under the Business Corporations Act (Alberta), all of the shares of which are beneficially owned by Dr. H. Roeschinger, a resident of the Federal Republic of Germany;
5. Prodeco believes that a majority of the balance of the Prodeco Shares are owned by non-residents of Canada, primarily in the Federal Republic of Germany;
6. Prodeco has outstanding an undertaking to the Government of Canada under the Foreign Investment Review Act (Canada) ("FIRA") to attain a minimum Canadian ownership of 50% of its voting shares by 1990;
7. Prodeco has prepared an Information Circular and Proxy Statement dated June 14, 1985 (the "Information Circular") with respect to the Special General Meeting of Shareholders called for the purpose of considering and, if thought fit, approving and agreeing to the Plan of Arrangement;
8. The Information Circular states that the purpose of the proposed Plan of Arrangement is to provide the shareholders of Prodeco with an opportunity to improve their liquidity and to participate, in the future, in BVI and BVRS, and, in addition, to permit Prodeco to comply with its FIRA Undertaking;
9. Attached to the Information Circular is the opinion of McLeod Young Weir Limited that the exchange contemplated in the Plan of Arrangement is fair and reasonable from a financial point of view to the holders of Class A Common Shares of Prodeco;
10. BVI owns beneficially an aggregate of 10,120,000 Common Shares of BVRS, representing approximately 77% of the outstanding Common Shares of BVRS. As a result, a trade by BVI in Common Shares of BVRS is a distribution as defined in section 1(1)11(iii) of the Act;
11. The trade in BVI Class Z Preferred Shares to be issued by BVI pursuant to the Plan of Arrangement and the Arrangement Agreement is exempted from sections 24 and 52 of the Act by sections 34(1)15(i) and 71(1)(i) (i).

12. The wording of sections 34(1)15(i) and 71(1)(i)(i) exempts a trade in a security of a company (BVI) that is exchanged by the company (BVI) with another company (Prodeco) or the shareholders of that other company (Prodeco) in connection with a statutory amalgamation or arrangement;
13. The exemptions contained in sections 34(1)15(i) and 71(1)(i)(i) do not extend to the trade by BVI in Common Shares of BVRS pursuant to the Plan of Arrangement and the Arrangement Agreement.

AND UPON being satisfied that to so rule would not be prejudicial to the public interest;

IT IS RULED pursuant to section 73 of the Act that the transfer by BVI of Common Shares of BVRS holders of the Prodeco Shares pursuant to the Arrangement Agreement and the Plan of Arrangement is exempt from sections 24 and 52 of the Act;

AND IT IS FURTHER RULED that the first trade in such Common Shares of BVRS acquired by a holder of Prodeco Shares is a distribution unless such first trade is made in accordance with section 71(5) of the Act as if such section were applicable thereto.

NOTICES/PRESS RELEASES

1.1 PRESS RELEASE

1.1.1 TRADING IN SECURITIES OF CANADA TRUSTCO MORTGAGE CO.

RE; TRADING IN SECURITIES OF
CANADA TRUSTCO MORTGAGE CO.

The Ontario Securities Commission announced that it has prohibited principal trading in the listed securities of Canada Trustco Mortgage Co. (Canada Trustco) while any take-over bid for its common shares is outstanding.

The prohibition is applicable to any investment dealer retained by a party who has made or proposes to make a bid for the securities of Canada Trustco and is also applicable to the investment dealer retained by the company itself.

The Commission has also imposed limitations on the trading by such investment dealers in the convertible debentures of Canada Trustco.

The Commission is currently reviewing the adequacy of rules relating to trading by securities dealers in the context of a take-over bid with particular focus on rules applicable to dealers acting for an offeror or the target company. This review is not yet complete; however, in view of its concerns as to the appropriateness of trading by dealers who may be perceived to be acting in support of or in opposition to a bid and who may also have access to information not known to the marketplace generally, the Commission has determined to prohibit principal trading by such persons pending the conclusion of its policy review.

A transitional period is provided by this regulation. Disclosure with respect to financial periods ending on or before December 30, 1985 may be provided in accordance with the regulation as it read immediately before this amendment.

IN THE MATTER OF SPORTS DISTRIBUTORS OF CANADA LIMITED

RULING
(Section 73)

UPON the application of Sports Distributors of Canada Limited ("SDC") to the Ontario Securities Commission (the "Commission") for a ruling pursuant to section 73 of the Securities Act, R. S. O. 1980, c. 466 as amended, (the "Act") that the issuance of its Common Shares and Special Shares to its authorized dealers ("the "Dealers") is not subject to sections 24 or 52 of the Act;

AND UPON it being represented to the Commission that:

1. SDC began its operations as an unincorporated association (the "Association") of Dealers in 1960 ;
2. On May 2, 1972 the Association was incorporated by the Dealers to carry on the activities previously performed by the Association, including bulk purchasing of merchandise to obtain better prices from suppliers;
3. The authorized capital of SDC consists of 50,000 Common Shares, and 10,000 Special Shares of which 106 Common Shares and 1,060 Special Shares are issued and outstanding.
4. Holders of each Common Share are entitled to the right to vote at each meeting of shareholders, to receive dividends as declared by the Board of Directors and to receive the remaining property of SDC on dissolution or wind-up. Holders of each Special Share are entitled to receive fixed non-cumulative dividends as declared by the Board of Directors and to repayment of capital including any undeclared and unpaid dividends in preference to any entitlement of the holders of the Common Shares.
5. Each Dealer is required to purchase one Common Share at a price equal to its market value as determined by SDC's auditor and ten Special Shares at a price of \$100 per share;

6. Each Dealer is required to enter into a shareholder's agreement (the "Shareholders' Agreement") attached as Schedule A hereto. The Shareholders Agreement:
 - (a) contains restrictions on the transferability of the Common and Special Shares of SDC;
 - (b) sets out the circumstances under which SDC can redeem any shareholder's shares; and
 - (c) deals with other matters in respect of the conduct of the shareholder's business;
7. There are currently 106 Dealers. Forty nine of these Dealers carry on business in Ontario;
8. SDC is not a reporting issuer under the Act;

AND UPON the Commission being satisfied that to so rule would not be prejudicial to the public interest;

NOW THEREFORE IT IS RULED that the issuance of Common Shares and Special Shares to Dealers by SDC is not subject to sections 24 or 52 of the Act, providing:

1. All shareholders of SDC are independent sporting goods retailers, authorized by SDC as dealers;
2. SDC shall have delivered to shareholders and guarantors prior to their becoming shareholders and guarantors and to all current shareholders and guarantors:
 - (a) a copy of the Articles of Incorporation;
 - (b) a copy of the By-laws;
 - (c) a copy of the most recent audited annual financial statements and the most recent semi-annual financial statements if subsequent to the former;
 - (d) a copy of the Shareholders' Agreement; and
 - (e) a copy of this Ruling;
3. All shareholders and guarantors shall execute a copy of the Shareholders' Agreement prior to, or at the time of, becoming a shareholder;
4. SDC shall prepare and send to each of its shareholders, but not to the Commission, annual financial statements and semi-annual unaudited financial statements in accordance with sections 76 and 77 of the Act;
5. A trade in the Common Shares or Special Shares by a shareholder shall be subject to the provisions of subsection 71(5) of the Act, as if the shares were acquired by the vendor pursuant to clause (n) of section 71(1) of the Act, unless:
 - (a) the trade is made to a spouse, child, daughter-in-law, or son-in-law, of a shareholder;

(b) the trade is made to SDC; or

(c) the trade is from a person carrying on business as a sole proprietor or from a partnership to a corporation wholly owned by the sole proprietor or partnership.

6. The share certificates shall be engrossed with a legend discussing the restrictions on the transfer of the shares.

IN THE MATTER OF THE
BUSINESS CORPORATIONS ACT, 1982
S.O. 1982, Chapter 4

AND

IN THE MATTER OF
GRC-GRAPHIC RESOURCES CANADA CORPORATION

REASONS AND DECISION

APPEARANCES:

David W. Kent on behalf of GRC-GRAPHIC
RESOURCES CANADA CORPORATION,
(hereinafter sometimes referred to as the
"Proponent")

Ronald Flom on behalf of GRAPHIC
RESOURCES INC. (hereinafter sometimes
referred to as the "Objector")

A hearing was held before me on the 4th day of June, 1985, pursuant to subsection 12(1) of the Business Corporations Act, 1982 (the "Act"). The purpose of the hearing was to decide whether or not a certificate of amendment to the articles of incorporation of the Proponent, Ontario Corporation No. 578155 should be issued changing its name.

The Objector was incorporated on August 22, 1968, with the name "Word Processing Centre Limited", and accordingly is a "body corporate" within the meaning of the Act. By articles of amendment, effective April 19, 1982, the Objector changed its name to Graphic Resources Inc. The objects for which the Objector was incorporated read as follows:

- (a) To carry on the business of consultants and advisers in the operation of undertakings with respect to printing and the graphic arts;
- (b) To carry on the trade or business of general printers, publishers, newspaper publishers, lithographers, engravers, bookbinders, booksellers, type foundry and advertising agents and the business of offset printing, embossing, electrotyping, stereotyping, photo-engraving, manufacturing and dealing in paper boxes, stationery, tags and labels; and
- (c) To apply for, obtain, register, purchase, lease or license on royalty or otherwise or otherwise acquire and hold, use, own, introduce and sell, assign, lease or license on royalty or otherwise or otherwise dispose of any copyright or copyrights in any literary or other work capable of being copyrighted.

These objects have not been amended between the date of incorporation of the Objector and the date of the hearing.

Mr. G. C. Ritchie, President of Graphic Resources Inc., gave evidence on behalf of the Objector.

Mr. Ritchie reviewed the corporate history of the Objector from its incorporation in 1968 under the name "Word Processing Centre Limited" until the time that he became the principal behind the Objector in 1973.

The Objector has its place of business in Metropolitan Toronto, particularly that part of the borough of East York known as Leaside, has a plant of approximately 12,000 square feet and carries on generally the business of a commercial printer specializing in art design and film preparation. The change of the Objector's corporate name in 1982 was made to reflect the

fact that the business of the Objector had changed to that of a commercial printer.

Mr. Ritchie testified that the existence of the Proponent first came to his attention in September of 1983 when the Objector received a bill from Searboro Movers Limited and was requested to pay that bill. On inquiry it was determined that the bill was intended for the Proponent, the matter was clarified on the telephone and the Proponent paid the bill.

Mr. Ritchie further testified that commencing in January in 1984, the Objector received telephone calls, estimated at approximately two calls per week, where the caller was seeking to contact, or made inquiries with respect to, the Proponent.

Mr. Ritchie also referred to an advertisement in the January 1984 issue of the CAD/CAM & Robotics Magazine (Exhibit No. 5), placed on behalf of the Proponent under the name Graphic Resources Canada.

Mr. Ritchie further testified that there had been some confusion with respect to the City of Toronto tender list, on which both corporations appear. That confusion had to be clarified.

Mr. Ritchie also testified as to certain difficulties which had been encountered with respect to the Objector's listing in the white and yellow pages of the Metropolitan Toronto Telephone Directory. At least part of the responsibility for these problems seemed to rest with Bell Telephone.

With specific regard to the telephone calls received by the Objector, it appeared that many of the calls would commence with the caller attempting to place an order (thinking he was dealing with the Proponent), or requesting shipping instructions, again thinking he was dealing with the Proponent.

With respect to the Objector's business activities, Mr. Ritchie testified some thought was being given to expanding into the computer area but that no concrete steps had been taken in this regard.

The clientele of the Objector is made up primarily of large corporations. Examples given were chartered banks, school boards, advertising agencies and design agencies.

With respect to the advertisement appearing in the magazine (Exhibit No. 5), Mr. Ritchie indicated on cross-examination that the objector does not engage in any of the business activities specified in that advertisement and that the Objector never advertises in that particular magazine.

On further cross-examination, Mr. Ritchie testified that, were the Objector to engage in the computer business, it would be involved primarily in computer equipment and supplies and would not be carrying on any business, nor did they have any expertise, in the areas of mapping, charting or meteorology. He also testified that the objects of the Objector reasonably reflect the business being carried on.

The Proponent was incorporated on February 14, 1984 and accordingly is a "body corporate" within the meaning of the Act. The articles of

incorporation of the Proponent contained no restrictions on the business the corporation may carry on or on the powers the corporation may exercise.

Ms. Muriel McManus, Sales Manager, gave evidence on behalf of the Proponent.

Ms. McManus testified that she had been in the employ of the Proponent since incorporation, that the Proponent was a wholly owned subsidiary of Graphic Resources Corporation (a United States corporation headquartered in the State of California) and that the parent corporation has world-wide operations, being active in every state of the United States.

Ms. McManus also testified that prior to the incorporation of the Proponent, the Canadian business of the parent corporation was handled by an Alberta corporation purportedly named Plotter Supplies Limited. Following incorporation of the Proponent, the Alberta corporation continued to carry on the Canadian business of the parent corporation in the provinces west of Ontario, with the Proponent serving Ontario, Quebec and the Maritime Provinces.

The Proponent's business is limited to the provision of plotter supplies. A plotter, as I understand it, is a machine which draws maps, is computer assisted and the maps are drawn on a special kind of paper called "myler". In connection with its business, the Proponent provides the special pen, ink and cleaners related to the operation of plotters. The Proponent manufactures none of these materials, all of which is forwarded to the Proponent by the parent corporation in California. The client group of the

Proponent is specialized and made up of entities such as McDonnell Douglas of Canada Ltd., Ontario Hydro, Statistics Canada, Canadian General Electric and General Motors of Canada.

Ms. McManus testified that the services and products made available by the Proponent are not at all similar to those offered by the Objector. Also, the Proponent does no advertising in Canada, all such advertising being done by the parent corporation in the United States.

With respect to the publication in the trade journal (Exhibit No. 5) Ms. McManus testified that she was unaware of who had placed the advertisement but that it may have been placed by the Alberta corporation (Plotter Supplies Limited) during the transition period during which the Proponent was becoming operational.

Exhibits 7, 9 and 10, evidence the Proponent's limitation of its activities to the provision of supplies relating to plotting and all contain the phrase "Plotter Supplies Specialists".

Ms. McManus further testified that, while the Objector does no advertising, manufacturers of plotters may inform purchasers of the existence of the Proponent. She also pointed out that the name of the Proponent highlights the letters "GRC" and this has been done on the advice of their solicitors, this advice having been given when the problems respecting the similarity with the name of the Objector commenced. With respect to telephone calls to the Objector, there was no indication that any of the Proponent's customers were confused.

On cross-examination, Ms. McManus indicated that she had discussed with the two other people running the office the manner in which the telephone is to be answered so that there will be no confusion with the Objector. She also indicated that when the Proponent was incorporated, it in effect took over from the Alberta corporation (Plotter Supplies Limited) the eastern Canada business of that corporation, that the choice of corporate name for the Proponent was something that was done on the basis of legal advice at the time of incorporation and that she had no direct knowledge of that process. She also testified that the letters "GRC" were inserted in the Proponent's name on the basis of legal advice because of the possibility of confusion with the names of other corporations doing business in Ontario.

Ms. McManus also referred to Exhibits 12 and 13, both of which are catalogues respecting the business of the Proponent. Exhibit 12 is a catalogue under the corporate name of Graphic Resources Corporation, the parent corporation. This was a catalogue produced by the parent corporation in California and used prior to the incorporation of the Proponent. It was pointed out that even on that catalogue the initials "GRC" appear on many of the products produced by the parent corporation. Exhibit No. 13 is the current catalogue used by the Proponent. That catalogue highlights the letters "GRC", contains the corporate name of the parent corporation, and refers to the fact that the corporation is "Plotter Supplies Specialists".

Subsection 12(1) of the Act, pursuant to which this hearing was held, provides as follows:

If a corporation, through inadvertence or otherwise, has acquired a name contrary to section 9, the Director may, after giving the corporation an opportunity to be heard, issue a certificate of amendment to the articles changing the name of the corporation to a name specified in the certificate and, upon the issuance of the certificate of amendment, the articles are amended accordingly.

Subsection 9(1) of the Act provides:

Subject to subsection (2), a corporation shall not have a name,

- (a) that contains a word or expression prohibited by the regulations;
- (b) that is the same as or... similar to,
 - (i) the name of a known,
 - (A) body corporate,
 - (B) trust,
 - (C) association,
 - (D) partnership,
 - (E) sole proprietorship, or
 - (F) individualwhether in existence or not, or
 - (ii) the known name under which any body corporate, trust, association, partnership, sole proprietorship, or individual, carries on business or identifies itself, if the use of that name would be likely to deceive; or
- (c) that does not meet the requirements prescribed by the regulations.

In Re C C Chemicals Ltd., [1967] 2 O.R. 248 (C.A.), at pages 258 - 9, Kelly J.A., speaking for the Court of Appeal, sets forth the relevant factors which it is appropriate to consider in a case such as this. These factors are, in essence, the nature of the businesses, the persons or class or class of person who might ordinarily be expected to deal with each, and of course the names of the businesses. This test was expanded upon by Laskin, J., as he then was, in Canadian Motorways Ltd. et al v. Laidlaw Motorways Ltd. (1974), 40 D.L.R. (3d) 52 (S.C.C.), at page 61, where he includes the test of probability

of a confusion as to the association of one company with another. These tests are in essence codified in section 2 of Ontario Regulation 446/83 under the Act.

Section 3 of Ontario Regulation 446/83 under the Act sets out certain matters, which the Director may consider when determining whether a name is contrary to section 9 of the Act. That section of the Regulation reads as follows:

For the purpose of section 12 of the Act, the matters the Director may consider when determining whether a name is contrary to section 9 of the Act include,

- (a) the distinctiveness of the whole or any element of any name or trade mark and the extent to which the name or trade mark has become known;
- (b) the length of time the trade mark or name has been in use;
- (c) the nature of the goods or services associated with the trade mark or or the nature of the business carried on under or associated with a name, including the likelihood of any competition among businesses using such a trade mark or name;
- (d) the nature of the trade with which a trade mark or name is associated, including the nature of the goods or services and the means by which they are offered or distributed;
- (e) the degree of similarity between the corporate name and any trade mark or name in appearance or sound or in the ideas suggested by them; and
- (f) the geographic area in Ontario in which the corporate name is likely to be used.

As indicated, sections 2 and 3 of Ontario Regulation 446/83 codify many of the principles and considerations flowing out of the prior judicial determinations. The previous case law, however, remains relevant and is a valuable reference when weighing the approach and manner of application of those principles and considerations.

The issue, therefore, is whether the actual use of the name "GRC-Graphic Resources Canada Corporation" by the Proponent would be likely to deceive, in that it would lead to the inference that the business carried on or intended to be carried on and the business carried on by the Objector are one business or that the name of the Proponent would lead to the inference that the Proponent was associated with the Objector or would lead someone who had an interest in dealing with the Objector to deal with the Proponent in the mistaken belief that he was dealing with the Objector.

The Objector carries on business primarily as a commercial printer, specializing in art design and film preparation. Although some thought has been given to entering into the area of computers, no specific steps have been taken in this regard. It was agreed that the objects of the Objector, as previously set out, accurately reflect its business.

The Proponent carries on the business of providing plotter supplies, that being the pens, ink, cleaners, etc. involved with the use in operation of a plotting machine.

I conclude that there is no similarity between the Objector's business and the Proponent's business.

The clientele of the Objector is, according to the evidence, made up primarily of large corporations and is a reasonably sophisticated client group. The clientele of the Proponent is a specialized group, being comprised of large corporations making use of plotting machines and the

related supplies and services. This group again is comprised of large and sophisticated clients.

I conclude on this test therefore, that the persons or class of persons who might ordinarily be expected to do business with the Proponent and the Objector have little, if any, similarity. In any case, each client group is comprised, in large part, of sophisticated and astute businesses.

These matters must be considered in light of the visual and auditory qualities of the two names, which are:

GRC-GRAPHIC RESOURCES CANADA CORPORATION (the "Proponent")

and,

GRAPHIC RESOURCES INC. (the "Objector")

The names of the corporations share the words "graphic resources". In other respects the names are quite different. As pointed out in the evidence (Exhibit No. 6), the word "graphic" or "graphics" is a very common descriptive word and appears in at least twenty or thirty listings in the Metropolitan Toronto Telephone Directory. The word "resources" is even less distinctive.

Mr. Justice Kelly states at page 261 in Re C C Chemicals Ltd., [1967] 2 O.R. 248 (C.A.) as follows:

When the alleged similarity is, as here, between names which contain words which are generic, and descriptive, different considerations become appropriate — in general

terms it can be said that the broader the application of the term selected by the earlier corporation for inclusion in its corporate name the less is the ability of the user of that name to arrogate to himself any right to that name and to complain of the use by another of the same term — with proper distinguishing accompanying words. It was said in Cellular Clothing Co., Ltd. v. Maxton & Murray, [1899] A.C. 326 at p. 336, that the utmost difficulty should not be put in the way of anyone who seeks to adopt or use exclusively as his own a merely descriptive term. To this I would add that the greater the descriptive scope of the term or word adopted the more difficult the task of the selector to appropriate to himself a term which might be equally descriptive of the nature of other businesses.

On the basis of the evidence before me, I conclude that the Proponent has used the letters, and specifically emphasizes, "GRC" in its name. This, in my view, sufficiently distinguishes its name from that of the Objector.

I have also considered the evidence given with respect to confusion, specifically the misdirected telephone calls. It is difficult to see that these can be considered confusion; in my view they are more likely to be described in terms of inquiries. There can be no doubt that they are inconvenient and irritating to the Objector. However, the evidence indicates that the Proponent has taken specific steps in an attempt to limit this by emphasizing "GRC" in both its corporate name and in its daily business dealings. In the circumstances, these incidents do not, in my view, provide sufficient grounds to require the Proponent to change its name.

As stated by McRuer, C.J.H.C., in Re Menzies-Gibson Ltd., [1955] O.W.N. 657 at page 190:

In commercial life there is bound to be a certain amount of coincidence of names, but this cannot be dealt with on any trivial ground.

Therefore, for the foregoing reasons, there will be no Order changing the name of the Proponent under section 12 of the Business Corporations Act, 1982.

DATED at Toronto this 8th day of August, 1985.
